Hair Rejuvenation System

Hair Restoration in the comfort of your home  
In just **three** easy steps:

1. Put on your head for 20 minutes
2. Select program session using remote control; Hands-free
3. Connect to iPod/ iPhone/ MP3 Player

### **How it works:**

#### **Biostimulation with Low level laser therapy (LLLT)**

Cells absorb the low level laser light and use it for repair and growth, resulting in increased cell metabolism and fuller, thicker tresses.

Safe and effective for long-term use.
